February 3, 2026 – The executive team of the School of Management, Walailak University, led by **Asst. Prof. Dr. Pimlapat Pongsakornrungsilp** (Dean), **Asst. Prof. Dr. Prasit Rattanaphan** (Associate Dean), and **Ajarn Niramol Rawangngam** (Assistant Dean for International Affairs), met with **Dr. Mongkol Theerananon**, Vice President for University Relations and Development. The meeting, held at the Administration Building, aimed to discuss and establish guidelines for supporting international student affairs to enhance the university's World Ranking.

During the discussion, the team focused on driving international initiatives to provide students with global exposure. Key topics included:

- **Student Exchange Programs**
- **International Internship Programs**
- **Collaborative Academic Activities** with partner universities worldwide.

The School of Management expresses its sincere gratitude to **Dr. Mongkol Theerananon** for prioritizing the school's international mission. This includes **budgetary support** for efficient project implementation and efforts to expand cooperation networks both domestically and internationally. These initiatives serve as a vital foundation in empowering WU Management students to become **Global Citizens**.

The outcomes of this meeting will lead to concrete projects within this fiscal year, aiming to elevate student competencies to an international level, aligned with the university's vision of producing graduates with global competitiveness.
